

Family Communication Plan

Fill this out together. Print copies for each household member and keep one in your emergency kit.

Household members

Name	Phone	Usual location (weekday)

Meeting points

Near home:

Farther away (if home is unsafe):

Out-of-area contact (message relay)

Someone far enough away that their network isn't affected. Everyone in the household should memorize this number.

Name: Phone:

Relationship:

Important numbers

Contact	Number
Doctor / pediatrician	
School / childcare	
Veterinarian	
Insurance company	

Gas/electric utility

Nearest hospital

Notes

Special needs, medications, pet info, gas shutoff location, anything else everyone should know:
